All over the state, the Page Fence Giants have been hailed with delight and met by big crowds in the towns where they have played ball. The colored gentlemen composing the team are not only ball players of a high class, but they are merry makers as well, and their good natured raillery and unique coaching kept the spectators in a roar of laughter. The Giants will play the Paw Paw team on our home grounds next Monday afternoon, and should be met by the biggest crowd of the season.

Rodolphus Rogers, who had been a resident of this village for many years, died suddenly Sunday evening, aged 71 years. He had been at work as usual during the preceding week, and but a short time before his death was down town. He retired early, and at 8:15, absolutely without warning, death claimed him. Heart failure was the cause of death. The funeral will be held at the house, to-morrow afternoon.

The matinee on Friday afternoon of this week promises to be a most interesting affair. Four races are on the program for the afternoon, and the prospect is that a large number of horsemen and horses from away will be present. A specially hot race is looked for in the free-for-all, in which Hart, Johnson and Miss Van Ness are already entered. These three horses have met before this season, and have finished so close that a blanket would have covered them all. The 2:40 class also promises to be a lively race, and for interest the three minute class should not be overlooked. The gentlemen having this matinee in charge are determined to make it a grand success, and the interest manifested by horsemen from all over the surrounding country renders certain a fine meeting.

The farmers' picnic was well attended at Allen's grove, School Section Lake, last Friday afternoon. The program in the afternoon was excellent. A Waverly choir furnished first class music. The principal address was made by ex-Gov. Cyrus G. Luce, and was devoted to depicting the present deplorable condition of agricultural interests. Some good advice was given to tillers of the soil, and the way things should be with the farmer under an ideal condition of affairs was shown. But the governor, like most speakers in addresses of this character, did not tell the farmers what action on their part would alleviate their hardships, and it is safe to say that every one of his auditors went home, not with any new ideas of the remedies for the existing condition, but with his previous notions intensified, no matter what the predilections may have been. The address was, however, an entertaining one. Short talks were made by Hon. J. J. Woodman, A. W. Haydon and Jason Woodman.

PAW PAW WINS.

The ball game Friday between Paw Paw and Berrien Center, on the Paw Paw grounds, was a fine game, interesting from start to finish, and notable for the gentlemanly demeanor of the players on both sides. The game yesterday afternoon on the Paw Paw ball park, between Paw Paw and the Graham & Morton team of Chicago, was an interesting game and added another to the long list of victories that stand to the credit of our team this year. Paw Paw led from start to finish and was never headed by the visitors, who had come here with the idea that they would meet "something easy." The game was entirely free from all ungentlemanly conduct, and base ball as played upon the Paw Paw grounds is coming to be recognized as a sport that will offend none. Following is the score by innings:

Innings	1	2	3	4	5	6	7	8	9	10	11	12
